

THE ACTON
STACKER®
Navetta®

A Timeless Classic

Created by award-winning designer Hugh Acton, The Original Acton Stacker® chair is a mid-century modern American classic. "Acton Stackers" are found in spaces and places throughout North America, including military bases, corporate meeting spaces, churches and universities.

The Acton chair's ergonomically-sculpted seat and back provide comfort even for long hours of sitting. This iconic seating design of Hugh Acton is timeless and offers unequalled flexibility.

Unique Flexible Design

The stacker's unique Z-shape frame offers both comfort and style. It's simple design allows an almost infinite array of mix-and-match features and options.

- Contoured back design provides lumbar support.
- Exclusive 14-gauge tubular steel Z-shaped frame design, with 16-gauge steel inner reinforcement for strength and durability.
- Mar-resistant, textured polypropylene seat and back available in sixteen standard colors.
- Tablet arms are offered in standard and over-sized dimensions for our regular or heavy-duty versions.
- Upholstery available for added comfort.
- Waterfall seat provides ergonomic leg support.
- Powder coat epoxy frame colors, plus silver nickel and optional chrome.
